

copy_config

make_bed

ALL

```
graph TD; A(copy_config) --> C(ALL); B(make_bed) --> C;
```

The diagram consists of three rounded rectangular nodes. The top-left node is labeled 'copy_config' and has a light green border. The top-right node is labeled 'make_bed' and has a red border. The bottom-center node is labeled 'ALL' and has a teal border. Two gray arrows point from the bottom of the 'copy_config' node and the bottom of the 'make_bed' node to the top of the 'ALL' node.
